and the Adults to Whom They are Entrusted**

**Presbytery of Cimarron
2008**

Purpose:

Our Presbytery's purpose for establishing the Child Abuse Prevention Policy and accompanying procedures is to demonstrate our

Approved by Presbytery of Cimarron May 2008

Introduction

After years of preparation, discussion and research, the Presbytery of Cimarron's Committee on Evangelism and Nurture presents these "Policies and Procedures for Safeguarding Children and Youth and the Adults to Whom They are Entrusted." Our committee has worked hard to outline appropriate expectations for our presbytery's ministry with Youth and Children. These guidelines will not be easy to follow. These guidelines will take extra planning and preparation. These guidelines put forth a high standard for our presbytery to follow. However, these guidelines are essential in providing a safe ministry environment for everyone involved.

Our committee encourages the individual churches to become familiar with these guidelines. We realize that for some of the smaller churches of our presbytery some of these guidelines may impose restrictions quite difficult to follow, especially in regards to adequate and appropriate supervision. We encourage all our churches to cooperate together so that all our youth may be properly supervised. We especially encourage churches to reach out to smaller neighboring churches and invite their youth to travel and participate with them.

If you have any questions about these policies and procedures please contact a member of the Committee on Evangelism and Nurture.

In Christ's Service,

Jenna Campbell, Moderator
Committee on Evangelism and Nurture.

May, 2008

Policies:

These policies and procedures are applicable for all Presbytery events involving Youth and/or Children no matter the location. These policies and procedures are only applicable for Presbytery events and ministries and are not applicable to individual church programs. Each church of the presbytery shall adopt their own individual policies for their ministries and events. This policy may be used as a model but should be modified to meet the individual church's specific needs.

As individual church policies are adopted, the burden of compliance with these policies and procedures is placed on each volunteer, employee, and church. The Presbytery shall provide training and monitor compliance, because it may be liable if it fails to adequately supervise its volunteers and employees.

Supervision. For each Presbytery event, an Event Coordinator shall be appointed to oversee the details of the event. The Event Coordinator shall be a Minister Member of the Presbytery already approved by the Committee on Ministry and Preparation or a committee member who has undergone approval by their church of membership. At least two approved leaders (including the Event Coordinator) shall be designated to lead any Presbytery activity involving children and youth.

Each Participating Church shall provide supervision for its participants. For each event, the Event Coordinator will set an appropriate ratio of adults to youth from each church. Each Participating Church shall approve the volunteers and employees who will advise, supervise, or transport children and youth. For overnight activities, there shall be a man assigned to provide leadership if boys are present and a woman if girls are present. An adult assigned to lead activities involving children and youth shall be at least five years older than the oldest participant of the event. A volunteer who has been active in the life of the participating congregation for less than six months shall be paired with someone from that congregation who has been an active member or affiliate for longer than six months when working with children and youth.

Transportation. Volunteers and Event Leaders who drive children and youth during Presbytery Events shall be 25 years old and insured. There are no exceptions. The Presbytery accepts no rights or responsibilities if any of these policies are not observed by the Participating Church in transit to or from the Presbytery Event.

Sign-In. Presbytery responsibility begins when individuals or groups sign in on forms at time of event and ends with their signing out. Youth grades 6th and above may sign-in themselves. Children 5th grade and below shall be signed-in by a parent, guardian or authorized adult. See Appendix A for sample Sign-In Sheet.

Parent's/Guardian's Permission. Written permission shall be obtained for each Presbytery Event (see appendix D). Participating churches are responsible for obtaining parental/guardian permission. Proper permission will be reviewed as part of the sign-in procedure. Also, ***Youth Activity Participation Release Form and Medical Release Forms*** (Appendix B) will be reviewed as part of the sign-in procedure. These forms are the responsibility of the participating churches and should be renewed annually or more often as needed.

Code of Conduct. A Code of Conduct shall be signed by all Youth and Adults who participate in a presbytery ministry or event. A parent or guardian shall also sign the Code of Conduct. (See Appendix C)

Visibility. Interaction between children and youth and volunteers and leaders should be conducted in ways that promote visibility by others and remove the opportunity for secrecy and isolation. Where possible, windows should be in all rooms where these interactions occur, and blinds should remain open. Doors should remain open when this is not possible.

First Aid and CPR. Event Coordinator will be responsible for First Aid and Safety Issues for each Presbytery Event. The following issues shall be addressed and communicated appropriately:

- First Aid Supplies and Information
- Adult Certified in CPR
- Emergency Plan
- Mandated Child Abuse Reporting

Adult Code of Conduct For the safety and security of children and youth as well as the protection of the adults to whom they are entrusted the following acts are prohibited during any Presbytery Event involving children and youth. All adults who work with youth or children shall sign a statement agreeing to refrain from the stated behaviors and report any adults who violate them. (See Appendix G)

Adult Leaders and Volunteers:

Only approved leaders and volunteers shall be permitted to attend, transport, or assist at Presbytery events for Youth or Children. Each Participating Church is responsible for approving its leaders. Each participating church shall notify the Event Coordinator of its compliance. Below are the standards and procedures by which congregations shall approve its leaders:

Application. All volunteer Youth leaders, all volunteers who drive children and youth, and all employees who work with Youth or Children shall be screened and approved by the Participating Church. Presbytery recommends that each Session appoint a committee to handle these matters professionally with discretion and strict confidentiality and with the professional staff or the designated individual elected by the Session to receive the applications and criminal history checks.

Criminal History Checks. Criminal history checks shall be conducted by each Participating Church for volunteer Youth leaders and all employees. A member of the professional staff or the designated individual elected by the Session will review the criminal history report. If the report shows a “Not Clear” status, the professional staff or the designated individual will discuss the report with the individual. Criminal history checks should be updated periodically. NOTE: The Presbytery, through the Committee on Ministry, is responsible for screening ministers and the Stated Clerk maintains those records.

Disqualifying Offenses. Whether disclosed voluntarily or as a result of a criminal history check or motor vehicle report, the following will disqualify a person from participating in the leadership of any activity involving children and youth: any conviction for - murder; aggravated assault; sexual abuse; sexual assault (rape); aggravated sexual assault; injury to a

minor; employment harmful to children; or any other offense, particularly those involving moral turpitude or the use of alcohol or drugs, designated by the Session in its discretion.

Disqualification from Driving. Whether disclosed voluntarily or as a result of a criminal history check or motor vehicle report, conviction of any of the following during the preceding ten years will disqualify a person from driving children and youth: driving while intoxicated, aggravated assault with a motor vehicle, driving under the influence of drugs, murder with malice with motor vehicle, or failure to stop and render aid. Disqualification from driving children and youth will otherwise be determined through a performance point system. The three-year period preceding the report date will be used to review the eligibility of drivers under this system. One point will be assigned for conviction of any hazardous traffic violation that does not contribute to an accident (speeding, running red light, improper turns, failure to yield, reckless driving, driving the wrong way on a one-way street, violation that contributes to or causes an accident. Session's designated committee may assess points for non-reportable accidents or other observed unsafe driving. A point total of three or greater disqualifies a person from driving children and youth.

Approved Employees and Volunteers. A committee appointed by each Session and with the oversight of the professional staff or the designated individual elected by the Session will review 'Application to Work With Children or Youth' and related information for each applicable volunteer and employee and, approve or disapprove each application. In making its decision, the appointed committee should consider the nature of any identified offense, how that offense relates to the position under consideration, any explanation provided by the applicant, and any other information deemed appropriate. The committee will report its decision to the applicant. The Pastor will determine any appropriate pastoral response throughout this screening process. Each Session or committee appointed by the Session will maintain lists of those persons who have been approved to serve as Youth Leader or to drive children and youth.

Confidentiality. All personal information voluntarily disclosed, the results of all criminal history checks and motor vehicle reports, and the refusal of any person to participate in a program or activity in lieu of making such disclosures will be considered confidential. A neutral third party outside the church may be retained to conduct criminal history checks or motor vehicle reports, the results of which will be presented to the professional staff or the designated individual elected by the Session. All electronic files shall be destroyed. Paper copies of reports or other assessment materials shall be retained in a secure location.

Violations:

Reporting Prohibited Acts. Anyone witnessing the occurrence of a prohibited act is asked to follow the steps outlined below. If a child or youth reports that a prohibited act occurred while participating in a Presbytery event the person initially contacted by the child or youth should also be asked to follow these same steps. A prohibited act shall be reported immediately, and any failure to do so will be considered a procedural violation of these guidelines.

1. Personally secure the safety of the child or youth.
2. Do not leave the child or youth alone to report the incident.
3. Report the incident immediately to the Event Coordinator.
4. Do not personally confront the alleged or accused violator of the policy.
5. Complete a 'Confidential Incident Report' and deliver it to the Event Coordinator.

6. Report abuse and neglect to local authorities as required by law.
7. Presbytery Event Coordinator will report any violations to the Presbytery Executive and Stated Clerk and to the Pastor of the congregation of anyone violated in writing and in personal conversation.

Response to Reported Prohibited Acts. If a prohibited act occurs and is reported during a Presbytery event the alleged violator will be separated from the alleged victim and sent home unless immediate police action is warranted.

Oversight

Presbytery's Committee on Evangelism and Nurture. On behalf of the Presbytery, the Committee on Evangelism and Nurture will oversee the implementation of these guidelines. This committee will maintain lists from participating churches of adults who have been approved to serve as a leader or driver for presbytery events. It is the local church's responsibility to send a list of their approved volunteers to the Presbytery's Committee on Evangelism and Nurture. Any other committee of Presbytery that holds an event or activity involving children or youth shall consult and coordinate with the Committee on Evangelism and Nurture Moderator to ensure policy compliance. The Presbytery's Committee on Evangelism and Nurture will review this policy every three years.

Training. The Committee on Evangelism and Nurture will provide regular training sessions at Presbytery meetings to instruct congregations on how to follow the Presbytery's guidelines and how to modify the policy for its own congregational use. Training on child abuse prevention and response shall occur in an Adult Leader meeting for any Presbytery event longer than 4 hours or overnight.

Additional Procedures. On behalf of the Presbytery, the Committee on Evangelism and Nurture may adopt and implement additional procedures consistent with these guidelines as may be necessary to accomplish the purpose of this plan.

Mandated Child Abuse Reporting

NOTE: This information shall be reviewed with Adult Leaders at any presbytery event longer than 4 hours or lasting overnight.

The Role of Adults Who Work with Children and Youth

Observer. Adults should be aware of the physical signs of child abuse and neglect, as well as changes in behaviors and relationships with peers. Sometimes it is hard to determine what is different, but if it doesn't seem right, it usually isn't.

Listener. Adults should listen to what children say. They may speak directly to you or a friend, but they may also speak through play, school work, or their reaction to books they read.

Role Model. Children need adult role models who provide them with positive, nurturing reinforcement of their own worth. Church volunteers and employees are in a unique position to be such models. Their behaviors and actions are regularly seen by children and may provide a basis for learning.

Reporter. Employees and Volunteers who work with Youth and Children who suspect or witness Child Abuse or Neglect are mandated by law to report the abuse to the police.
